

## WHEN YOU FEEL LIKE GIVING UP

Nehemiah: Building A Better Future – Part 7

Rick Warren

June 19-20, 2021

*"The people quickly rebuilt the first half of the wall around Jerusalem until it reached HALF ITS HEIGHT, because they worked hard with all their heart. BUT THEN (our enemies) heard how Jerusalem's walls were being repaired and all the gaps were being closed. They became very angry and plotted to attack Jerusalem together and create some confusion to stop the progress. So we prayed to God for protection and posted 24 hour guards to protect the workers. But then people began to complain. They said, 'We're tired and worn out! Besides that there's so much rubble and trash to be removed. We now realize that we cannot finish this wall.' Also our enemies are now threatening us. They're saying, 'Before you know it or even see us, we'll be among you to kill you and end your work!' Then, those who lived closest to our enemies kept reporting – over ten times – that our enemies kept saying, 'We're going to attack you from every direction!'"*

Neh. 4:6-12
